A crossword puzzle grid with 10 empty cells. The grid is shaped like a cross. The characters from the top section are placed around the grid: the purple disgusted character is on the left of the top row; the blue surprised character is on the left of the middle row; the red angry character is on the left of the bottom row; the green scared character is on the left of the rightmost column; the blue sad character is on top of the middle cell; and the yellow happy character is on top of the top-right cell.
